

HOPE FOR CHILDREN INTERNATIONAL SCHOOL

Hope for Children International School opened its' doors with grade levels, Nursery 1-3 & Primary 1-3, in 2021 October and is already making a difference in the lives of children living in poverty in Bugesera. While most private schools in Rwanda are attended by children whose parents can fund the education, at Hope for Children International School, two-thirds of all students come from families living in chronic poverty. Students who may not have been able to even attend a public school, now have a chance for a bright future & to break the cycle of poverty in their family. This is only made possible by God and the generosity of people, just like you, who want to make a difference in this world.

The second of five school buildings is currently under construction. With God's help and the generosity of friends like you, we'll open in September 2023, giving even more children the opportunity for a good education and bright future.

MAKING A DIFFERENCE **ONE CHILD AT A TIME**

A LIFE TRANSFORMED!

This young man's name is Innocent and he was known as the "chief of the village," because anywhere you went, Innocent would be there too!

Innocent was one of the neighborhood street children. He wore rags and always had a dirty face and hands. You see, at age 6 he was left home alone to care for himself. He did what he could to survive, while his mom worked all day in the field.

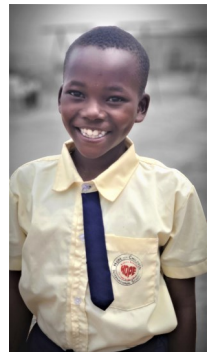

Then a miracle happened—because of the generosity of one person, Innocent's life was changed. He was transformed from a wild and independent street-child into a happy, healthy, and now responsible child. The difference is so great that you would hardly believe this was the same child!

It's amazing to see how one ordinary person could do something so extraordinary and change the course of a child's life.

Innocent is now in school full days where he receives love, food, and a good education.

Life can still be tough for Innocent and his family, but because someone chose to care, he now has a new life and a new hope for a future.

While we can't help every child, I believe that together we *can* make a difference, one child at a time.

HOPE for Children Ministries, Inc

MAKING A DIFFERENCE **ONE CHILD AT A TIME**

YOU can make a DIFFERENCE too!

Dear children, let us not love with words or speech but with actions and in truth.
1 John 3:18

Working Together...

we have a greater impact as we meet people right where they are.
Join us as we work alongside children and their families meeting both spiritual
& physical needs.

Partnerships...

it's so important to teach our kids the value of giving and sharing with others less
fortunate. And when they reach out to help a child in need, our own child can
learn a valuable lesson and be equally impacted!

Donations...

such as school supplies, children's books, gently used clothing & shoes of all sizes
and toys. Also, new hygiene items, first-aid & school supplies bless a child when
parents are unable to provide.

Child Sponsorship...

brings essentials like nutritious meals, education, & MORE to your sponsored
child & helps the community too. This in turn, helps to break the cycle of poverty
and bring HOPE in Jesus' name!

Financial Support ...

helps provide training, activities, supplies, medical insurance, education and
other basic human needs.

Prayer ...

is a vital part of our ministry as we trust God with each step forward.
Won't you please consider supporting us in this way?
